

South Shore Marina

October 2011 Newsletter

Thank you for a wonderful 2011 season. We hope that next year will be even better. If you have any comments or feedback please let us know so that we may make next year even better.

Winterizations

As fall approaches we would like to remind everyone that it is time to start planning winterization and winter boat storage. Please be on the lookout for the winter services work order request and slip relocation questionnaire. The sooner we get these back the better we can serve, you, our valued clients.

Slip Contracts

The slip contracts for 2012 will soon be in the mail, to ensure that you have your slip of choice please make sure that your contract is returned no later than December 1st, 2011. If you would like to be relocated or if you are not returning please let us know as soon as possible so that we may fulfill your request.

Happy Halloween
